The image shows the letters 'Y' and 'y' in a teal color. They are positioned on a set of three horizontal lines: a solid top line, a dashed middle line, and a solid bottom line. The uppercase 'Y' spans from the top to the bottom line. The lowercase 'y' spans from the middle to the bottom line, with a small tail that goes below the bottom line.

is for _____

The image shows the letters 'Z' and 'z' in an orange color. They are positioned on a set of three horizontal lines: a solid top line, a dashed middle line, and a solid bottom line. The uppercase 'Z' spans from the top to the bottom line. The lowercase 'z' spans from the middle to the bottom line.
